

# Colorado

## Immerse yourself in...

Red Rocks and you'll never be the same. Colorado is among the most scenic places in the world to take in live music, be it at the famed Red Rocks Amphitheatre in Morrison or the Telluride Bluegrass Festival, to name a few of the state's breathtaking outdoor venues nestled among the mountains. Among its most famed recording artists, John Denver wrote "Rocky Mountain High" as an ode to the state he loved, and in 2007, it was made an official state song.
